

Follow a path

(to cataloging and Marc records)

1. Type below to get to the Library of Congress website for a search:

Catalog.loc.gov

(or click the button for LOC at:
kthartig.weebly.com)

2. Search series by typing the text below in the search box:

*Africa continent in the
balance*

3. Find a book about *your* African country in our OPAC

4. Click the “Marc” tab to see cataloging code; notice how your series information is highlighted. What’s the code number?

5. Look at the contents area. Find an interesting section title.

6. Use [Advanced Search](#) to search for your book a new way:

Did you find it?
